FOR IMMEDIATE RELEASE

ARROW TRU-LINE, INC. POISED FOR GROWTH

Sold to an Affiliate of Sun Capital Partners, Inc.

ARCHBOLD, OH – January 26, 2017 – Global garage door hardware manufacturer Arrow Tru-Line, Inc. (“Arrow” or “the Company”) is pleased to announce the sale of the Company to an affiliate of Sun Capital Partners, Inc. for an undisclosed amount.

This strategic move will allow the Company to support its long-term growth trajectory. Founded in 1970, the Company has become a multinational competitor through its strong distribution center network across the United States and Canada.

“Demand for our products has been on the rise for several years now,” said Marvin Miller, President and CEO of Arrow Tru-Line, Inc. “This partnership will allow our Company to expand its product offerings and explore avenues for both organic and inorganic growth to meet the increased demand from our customers.”

“Arrow Tru-Line’s position as the leading player in this space is a testament to the quality of the products, high level of customer service, and hard work of the Company’s entire organization,” said Jeremy Stone, Managing Director at Sun Capital. “We’re excited to partner with them to support the Company’s success and growth.”

Business operations will continue uninterrupted at all Arrow Tru-Line facilities. There are no plans for staffing changes or restructuring. Arrow Tru-Line is focused on creating new corporate alliances and partnerships that will greatly facilitate expansion by providing additional high-quality products to their global customer base.

About Arrow Tru-Line, Inc.

Founded in 1970, Arrow Tru-Line, Inc. manufactures metal roll-formed and stamped products domestically, and imports stamped and cast components. The company offers a wide range of products and capabilities including tracks, struts, angles, hinges, cable drums, spring fittings, cable assemblies, rollers, lock components, decorative hardware, rolling door components, springs, chain hoists, and boat dock components. ATL believes its strength lies in its outstanding and loyal employee team, which has always exhibited a professional attitude and commitment to high performance. The ATL brand has been built on a steady foundation of quality and service, with a continued emphasis on superior technical engineering. Throughout its history, ATL has grown and expanded through its strategically placed distribution centers in Northwest Ohio, Dallas, Minnesota, Las Vegas, and Ontario Canada.
