Arrow Tru-Line Names Tom Brockley as CEO

Archbold, OH, October 31, 2018—Arrow Tru-Line announced today the appointment of Tom Brockley as its new CEO and President. Brockley succeeds Marvin Miller who announced his retirement in November after leading strong growth at ATL over the last four years.

Brockley brings thirty years of experience to the company with a focus on lean manufacturing, quality improvement, product development and operations with companies such as GE, CNH and Eaton. Brockley has an MBA from Northwestern University-Kellogg School of Management and a degree in Electrical Engineering from the University of Nebraska.

“We are excited about the leadership Tom will bring to Arrow Tru-Line,” said John McLaughlin, Vice President of Sales and Marketing at Arrow Tru-Line. “He has an outstanding background in operations and will be a fantastic addition to the company.”

“I am excited to assume this role. Arrow Tru-Line has strong products and manufacturing capabilities and ATL is dedicated to delivering value to our customers,” Brockley stated. “I look forward to building on Arrow Tru-Line’s success and growing the business by delivering the best quality products and service to our customers while expanding the Arrow Tru-Line brand.”
